## SERVICES

### Loans
- You will need your CarnetUB card
- Depending on your user profile and the type of document the loan periods vary.
- Renewals and reservations: via My Account, in person at the loan desk or by phone
- Further information: Loan regulations

#### PUC Loans
Library users at institutions belonging to the Consortium of Academic Libraries of Catalonia (CSUC) can request documents from other CSUC libraries.

#### Laptop loans
The library offers laptop loans to users for web access via the University's Wi-Fi network.

#### Interlibrary loans
Members of the UB and external users can request any document (original or copy) that is not held in our library collections. Paid service. Further information: http://crai.ub.edu/en/crai-services/loans/inter-library-loans

### User training
Regular training sessions are organized for users of library services and resources, and customized training can be arranged. Online access to support materials (guides, tutorials...). Further information: http://crai.ub.edu/en/crai-services/user-training

### User support service
Online service staffed by specialized librarians, providing information and references to solve students' queries about the CRAI, how the libraries work, the services on offer and bibliographic searches. Available 24 hours a day, 7 days a week (working days, weekends and holidays). Further information: http://crai.ub.edu/en/crai-services/sau

### Copy and reproduction services
Four self-service photocopy machines Print requests can be sent from any CRAI library computer. The Faculty's copy service also offers colour photocopies.

### Remote access
Access from outside the University network to electronic information resources to which the library holds a subscription. Open to members of the UB community only. Service accessed through SIRE (proxy). Further information: http://crai.ub.edu/en/crai-services/resources-online/proxy

### The 2.0 Library
- [http://blogcrai.ub.edu/](http://blogcrai.ub.edu/)
- [https://twitter.com/bibecoemp](https://twitter.com/bibecoemp)
- [https://es.pinterest.com/bibecoemp/](https://es.pinterest.com/bibecoemp/)

### Wi-Fi area
Wi-Fi area providing wireless access to the UB network, only for UB students and staff.

### Find out about all of the CRAI services at:
http://crai.ub.edu/en/crai-services

## INFORMATION RESOURCES

### ReCercador+
- Allows users to locate and access all the electronic resources to which the UB has a subscription (databases, e-journals, library portals and magazines), and to perform simultaneous searches in different resources.
- The option My account enables students to create a profile to set the ReCercador according to their needs.
- Access: http://recercador.ub.edu/

### Thematic guides
- Provides a selection of online information sources (both from the UB and external), classified by thematic categories.

### UB digital repository
- Offers digital and open publications of teaching, research and institutional activities of the teaching staff and other members of the UB.
- Access: http://diposit.ub.edu/dspace/?locale=en

### Virtual Campus
- Online support space for face-to-face and blended learning, accessed from the library website and personal intranet spaces (MónUB, PDI, PAS, Alumní).
- Access: https://campusvirtual2.ub.edu/?lang=es

### UB and CCUC catalog
- The UB catalog lists and describes each of the collections in the two libraries (books, journals, maps, e-resources, multimedia material...).
- You will find a link in the main web page of the library, which also offers the option to search the collective catalog of the CCUC.
- The link to My account appears at the top of the catalog screen. After logging in, users can consult their loans, search for documents, etc.

### My account
- Find these and other electronic resources at: http://crai.ub.edu/en/information-resources
## INTRODUCTION

In 2008 the Faculty of Economics and Business was created by combining the former Faculty of Economic and Business Sciences and the University School of Business Studies. The Economics and Business CRAI Library was created along the same lines and is therefore spread over two sites:

- **Bachelor's degree library.** Opened in 1994.
