## INFORMATION RESOURCES

### ReCercador

Allows users to locate and access all the electronic resources to which the UB has a subscription (databases, e-journals, library portals and magazines), and to perform simultaneous searches in different resources.

The option [My account](#) enables students to create a profile to set the ReCercador according to their needs.

Access: <http://recercador.ub.edu/>

### Thematic guides

Provides a selection of online information sources (both from the UB and external), classified by thematic categories.

Access: <http://crai.ub.edu/en/about-crai/libraries/economics-business>

### UB digital repository

Offers digital and open publications of teaching, research and institutional activities of the teaching staff and other members of the UB.

Access: <http://diposit.ub.edu/dspace/?locale=en>

### Virtual Campus

Online support space for face-to-face and blended learning, accessed from the library website and personal intranet spaces (MónUB, PDI, PAS, Alumni).

Access: <https://campusvirtual2.ub.edu/?lang=en>

### UB and CBUC catalogue

The UB catalogue lists and describes each of the collections in the two libraries (books, journals, maps, e-resources, multimedia material...).

You will find a link in the main web page of the library, which also offers the option to search the collective catalogue of the CCUC.

### My account

The link to [My account](#) appears at the top of the catalogue screen. After logging in, users can consult their loans, search for documents, etc.

Find these and other electronic resources at:
