The collection

The four sections of the Philology CRAI Library provide comprehensive materials for teaching and research activities at the Faculty for the courses: English Studies, Arabic and Hebrew Studies, Literary Studies, Communication and Culture Industries, Catalan Philology, Classics, Spanish, Linguistics and Modern Language and Literature.

It is also a specialized library, as it holds materials from after 1820 from the former Biblioteca Provincial i Universitària (Provincial and University Library) and is responsible for the management of this large encyclopaedic collection, which is an essential part of the history of the University of Barcelona and the city of Barcelona.

The overall collection comprises monographs, printed journals, electronic resources, statistical publications, doctoral theses and audiovisual materials. You can use this form to send your proposals for book purchases.
