

Tesi doctoral presentada per En/Na

Albert BATALLA FLORES

amb el títol

**"Retroalimentación y aprendizaje motor:
influencia de las acciones realizadas de forma
previa a la recepción del conocimiento de los
resultados en el aprendizaje y la retención de
habilidades motrices"**

per a l'obtenció del títol de Doctor/a en

PEDAGOGIA

Barcelona, 14 de juny de 2005.

Facultat de Pedagogia
Departament de Teoria i Història de l'Educació
