SERVICES

Loan

Document loans allow you to consult CRAI books outside the University premises during a specific period of time. Present your UB card or another identity document to use this service. Conditions and loan periods vary according to each document and user. The books use the following label system:

- **White label:** a loan of up to or exceeding 21 days, depending on the user
- **Green label:** recommended bibliography for degree courses, 10-day loan
- **Yellow label:** weekend loan
- **Red label:** not on loan.

You can take out and return documents at any loan desk of any CRAI Library, regardless of their library of origin.

My account is a personal space where you can reserve and renew loan items.

Library consortium loans (PUC)

PUC is a free service entitling users of libraries in the Consortium of Academic Libraries of Catalonia (CSUC) to request and borrow items from other libraries in the Consortium.

Interlibrary loan

This pay-to-use service allows to find and provide documents—or document copies—which are not in CRAI UB.

Laptop loan

The Library offers a number of laptops for use on the premises. The loan period for each laptop is 4 hours. This period can also be extended.

Group work rooms

The Library has two group work rooms. Reserve a group work room through *My account*.

Wi-Fi and Eduroam

The Wi-Fi service and the Eduroam service offer Internet access to all UB members. The users of other institutions in Eduroam can also make use of it.

User training

Training sessions are organized for users of library services and resources. There are also specific sessions for some subjects.

Citations and reference management

We provide information and examples of how to cite documents in a bibliography. Mendeley is a reference and citation manager which has the advanced characteristics of a social network and includes commercial databases, the institutional repository and the CRAI catalogue (Cercabib).

Virtual Campus

https://campusvirtual.ub.edu/
This is a virtual platform for teaching support. In CRAI libraries we can help you learn to use it.
Information and support

Staff can help to answer a wide range of queries about services and information resources.
⇒ Requests for bibliographic information
⇒ Support for teaching
⇒ Support for research
⇒ Guidance and advice on copyright, intellectual property and open access
⇒ Services for users with special requirements

User Support Service (S@U)

http://crai.ub.edu/en/crai-services/sau

The online User Support Service (S@U) provides answers to questions about the CRAI Libraries, their services and resources. The S@U can also be used to lodge complaints, make suggestions, express an opinion or acknowledgments about the service.

INFORMATION RESOURCES
