SERVICES

<http://crai.ub.edu/en/crai-services>

Loan

Document loans allow you to consult CRAI books outside the University premises during a specific period of time. Present your [UB card](#) or another identity document to use this service. Conditions and loan periods vary according to each document and user. The books use the following label system:

- ◆ **White label:** a loan of up to or exceeding 21 days, depending on the user
- ◆ **Green label:** recommended bibliography for degree courses, 10-day loan
- ◆ **Yellow label:** weekend loan
- ◆ **Red label:** not on loan.

You can take out and return documents at any loan desk of any CRAI library, regardless of their library of origin.

[My account](#) is a personal space where you can reserve and renew loan items.

Library consortium loans (PUC)

[PUC](#) is a free service entitling users of libraries in the [Consortium of Academic Libraries of Catalonia](#) (CSUC) to request and borrow items from other libraries in the Consortium.

Interlibrary loans

This [pay-to-use service](#) allows to find and provide documents—or document copies—which are not in CRAI UB.

Laptop loans

The Library offers a number of laptops for use on the premises. The loan period for each laptop is four hours. This period can also be extended.

Group workrooms

The Library has three group work rooms, one of which is equipped with four tables that can be shared between different groups. Reserve a group work room through [My account](#).

Wi-Fi and Eduroam

The Wi-Fi service and the Eduroam service offer Internet access to all UB members. The users of other institutions in Eduroam can also make use of it.

User training

[Training sessions](#) are organized for users of Library services and resources. There are also specific sessions for some subjects.

Citations and reference management

We provide information and examples of how to cite documents in a bibliography. Mendeley is a reference and citation manager which has the advanced characteristics of a social network and includes commercial databases, the institutional repository and the CRAI catalogue (Cercabib).

format, type or location of your chosen item: paper and electronic copies of books, journals, magazine articles, doctoral theses and audiovisual materials,

physically located in one of our CRAI libraries or stored on a UB or external server.
