

UB card

Your UB Student card identifies you as a member of the academic community. You will need it to enter the library and to take items out on loan.

Computers and study rooms

There are 4 computer rooms on the ground floor and 12 study rooms on the top floor available for our academic community.

Photocopying and printing

The library has 4 photocopiers/printers (black and white/colour) that work with a card available from vending machines.

Documents can be sent to print from the computers in the library. Each computer has a unique code that will be displayed on the photocopier, enabling you to locate your documents.
