Accessing electronic resources (proxy)

<http://crai.ub.edu/en/crai-services/resources-online/proxy>

Some electronic resources are of limited access and so can only be accessed from a UB computer.

SIRE is a service that allows access to e-resources available at the UB from inside and outside the University network. This service is only offered to members of the UB community.

See the [installation instructions](#).

Accessing electronic resources (proxy)

The E-Resources Access Service (SIRE) provides access to electronic information resources contracted by CRAI, from a computer/client/device **inside or outside the University of Barcelona network**. It is based on OCLC's EZproxy solution.

SIRE is aimed at University teaching and research staff (PDI), administrative and service staff (PAS), and students.

■ Requirements

- ▶ You must be a member of the UB community: lecturer, student or member of the administrative and service staff.
- ▶ You must have a UB username (the same one that you use to log in to UB intranets: PDI, PAS or MónUB).

■ E-Resources Access Service (SIRE)

We present two options for access:

- ▶ **Enabling access.** If you access material from a search engine results page (e.g. Google or PubMed), a shortcut or a bookmark, or from [UB Virtual Campus](#)

▶ Must be installed previously the *Sire* button and drag it to Bookmarks.

▶ [More information](#).

- ▶ **With access automatically activated.** Must go through the [Catalog](#) or from [ReCercador+](#) and also pressing the bottom [Consulta](#) on the screen you will find the results of searches performed (included those made on Google Scholar). These tools are configured to automatically activate access.

■ Authentication

- ▶ When SIRE is activated, the UB user authentication screen will pop up. Enter the username and password that you use to log in to University of Barcelona intranets (PDI, PAS or MónUB).

■ Disconnection

- ▶ The session will expire after 1 hour of inactivity.
- ▶ The session can also be disconnected by entering the URL: <http://sire.ub.edu/logout>

▶ [Regulation to use Digital Library PDF](#) (catalan)

▶ [SIRE: accessing electronic resources outside the UB networking. Quick guide.](#) (catalan)
