SERVICES

<https://crai.ub.edu/en/serveis-az>

Loan

Document loans allow you to consult CRAI books outside the University premises during a specific period of time. Present your [UB card](#) or another identity document to use this service. Conditions and loan periods vary according to each document and user. The books use the following label system:

- ◆ **White label:** a loan of up to or exceeding 21 days, depending on the user
- ◆ **Green label:** recommended bibliography for degree courses, 10-day loan
- ◆ **Red label:** not on loan

You can take out and return documents at any loan desk of any CRAI library, regardless of their library of origin or at the self-service machines.

[My account](#) is a personal space where you can reserve and renew loan items.

Library consortium loans (PUC)

[PUC](#) is a free loan service that allows users to request both physical items as well as electronic or digitized articles and chapters from the institutions of [Consortium of University Services of Catalonia](#) (CSUC) and international academic institutions.

Interlibrary loans

This [pay-to-use service](#) allows finding and provide documents—or document copies—which are not in CRAI UB.

Laptop loans

The Library offers a number of laptops, and four of the laptops can be used outside the Library, in the Campus facilities. The loan period for each laptop is four hours. This period can also be extended.

Group workrooms

The Library has six group workrooms, one of which is equipped with four tables that can be shared between different groups. Workrooms have a blackboard and UHD screen with HDMI cable to connect any device. Reserve a group workroom through [My account](#).

Wi-Fi and Eduroam

The Wi-Fi service and the Eduroam service offer Internet access to all UB members. The users of other institutions in Eduroam can also make use of it.

User training

[Training sessions](#) are organized for users of Library services and resources. There are also specific sessions for some subjects.

Citations and reference management

We provide information and examples of how to cite documents in a bibliography with Zotero, an open reference manager software.

Virtual Campus

User support service (SAU)

<https://crai.ub.edu/en/services-and-resources/sau>

INFORMATION RESOURCES

<https://cercabib.ub.edu/>

Cercabib is the University of Barcelona CRAI's discovery tool, which allows you to search simultaneously through the entire

CRAI collection, regardless of the format, type or location of your chosen item: paper and electronic copies of books, journals, magazine articles, doctoral theses and audiovisual materials, physically located in one of our CRAI libraries or stored on a UB or external server.

Accessing UB electronic resources

<https://crai.ub.edu/en/services-and-resources/electronic-resources-access>

The E-Resources Access Service (SIRE) provides access to electronic information resources that are subscribed to by the UB's CRAI. It is aimed at teaching and research staff, UB students and administrative and service staff.
