CRAI LIBRARY

TORRIBERA
CAMPUS

CRAI

Centre de Recursos per a
l'Aprenentatge i la Investigació

The Pharmacy and Food Science CRAI Library Torribera Campus and the other libraries of the University of Barcelona constitute the Learning and Research Resources Centre (CRAI), whose aims is to meet the needs deriving from the teaching and research activities of the UB community.

The Library is located in the Verdaguer building and brings together the specialized and research materials linked to the courses of *Human Nutrition and Dietetics* and *Food Science and Technology*, as well as diverse [special collections](#).

SERVICES AND INFORMATION RESOURCES

<https://crai.ub.edu/en/serveis-per-temes>

Loans

[Document loans](#) allow you to consult CRAI books outside the University premises during a specific period of time. Present your [UB card](#) or another identity document to use this service. Conditions and loan periods vary according to each document and user. The books use the following label system:

- ♦ **White label:** a loan of up to or exceeding 21 days, depending on the user
- ♦ **Green label:** recommended bibliography for degree courses, 10 day loan
- ♦ **Red label:** not on loan

You can take out and return documents at any loan desk of any CRAI library, regardless of their library of origin.

[My account](#) is a personal space where you can reserve and renew loan items.

Library consortium loans (PUC)

[PUC](#) is a free service entitling users of libraries in the [Consortium of Academic Libraries of Catalonia \(CSUC\)](#) to request and borrow items from other libraries in the Consortium.

Interlibrary loan (PI)

The interlibrary loan service can be used to locate and obtain the original or a copy of any kind of document that cannot be found at the CRAI and that is not available at other Catalan universities through the PUC. It also centralizes the loan of UB items to other institutions. This is a [paid service](#).

Digital copies service

The [digital copies service](#) provides a free digital copy of articles from journals available at the UB's CRAI and chapters from recommended bibliography books with restricted weekend loans or those excluded from lending, which cannot be accessed online. Heritage collections or materials with restricted rights are excluded.

Laptop loans

The Library offers 8 laptops, 4 of which can be used outside the library, in the Campus facilities.

Equipment and facilities

- ♦ 84 reading points
- ♦ 9 computers, one of them with a reading and writing support program (ClaroRead)
- ♦ 8 laptops
- ♦ 1 study room for 4 work spaces
- ♦ 1 CRAI OFF

Reserve a [study room for group work](#) through [My account](#).

Wi-Fi and Eduroam

The [Wi-Fi](#) service offers Internet access to all UB members. The users of other institutions in [Eduroam](#) can also make use of it.

User training

<https://crai.ub.edu/en/services-and-resources/training>

User training courses are designed to provide information about the CRAI, its libraries and its services and information resources, which are available to the university community.

Citations and reference management

We provide information and examples of how to [cite documents](#) in a bibliography. [Reference managers](#) organize and create bibliographic references and work integrated with commercial databases, institutional repositories and the Cercabib of the UB CRAI.

Virtual Campus

The [Virtual Campus](#) is a virtual platform for teaching support. In CRAI libraries, we can help you learn to use it.

Information and support

Staff can help to answer a wide range of queries about [services and information resources](#)

- ⇒ Requests for bibliographic information
- ⇒ Support for teaching
- ⇒ Support for research
- ⇒ Guidance and advice on copyright, intellectual property and open access
- ⇒ Services for users with specific needs

User support service (SAU)

<https://crai.ub.edu/en/services-and-resources/sau>

The online User support service (SAU) provides answers to questions about the CRAI libraries, their services and resources. The SAU can also be used to lodge complaints, make suggestions and express an opinion about the service.

Cercabib

<https://crai.ub.edu/en/services-and-resources/cercabib>

[Cercabib](#) is Universitat de Barcelona CRAI's discovery tool. This tool allows you to search simultaneously through the entire CRAI collection, regardless of the format, type or location of your chosen item: paper and electronic copies of books, journals, magazine articles, doctoral theses and audiovisual materials and more.

Accessing UB electronic resources

<https://crai.ub.edu/en/services-and-resources/electronic-resources-access>

The E-Resources access Service (SIRE) provides access to electronic information resources that are subscribed to by the UB's CRAI. It is aimed at teaching and research staff, administrative and service staff and UB students.
