Website and social networks

In the Fine Arts CRAI Library web you'll find all the information about the current events, collections, facilities, equipment, services and so on.

Through our social networks, Twitter, Instagram, Pinterest and Flickr we inform daily about the current events about the Library and you can use these networks to keep in contact with us.

© CRAI, academic year 2023-24
The Fine Arts CRAI Library gets a specialized collection of 37,000 monographs and 525 journal titles, on paper and electronic form, to support teaching and research of the Fine Arts, Conservation-Restoration of Cultural Heritage, and Design degrees of the Faculty of Fine Arts.

The Fine Arts CRAI Library collection combines books about techniques, manuals, and recommended bibliography with artists' monographs: painters, sculptors, photographers, which are classified by alphabetic order of the name of the artist.

An important collection of comics is part of our bibliographic collection too.

Special collections
Compilation of documents from personal collections of important artists, their works of art which are the result of their professional activity. The Fine Arts CRAI Library also has these special collections:

- Josep Artigas - Graphic designer collection
- Ricard Giralt Miracle collection

Artists monographs collection
The characteristic of the artist's book is being a standardized communication instrument, while betting on contemporary manufacturing techniques and transforming the ordinary book into the support of an artistic project.

In the CRAI library catalog you will find these books searching by subject "Llibres d'artistes".

Digital collections
The digital collections of the Fine Arts CRAI Library can be consulted through the digital repositories of the UB. Some of these collections are:

- Josep Artigas - Graphic designer
- Ricard Giralt Miracle digital collection
- Fine arts and graphic arts

The repositories are available in open access.

Access to information resources online
To consult the information resources which are contracted by the CRAI, it's necessary to identify yourself with the UB identifier and activate the Intermediate Service for access to Electronic Resources (SIRE). For those resources which are open access, these identifiers are not required.
