More services

► **Wi-Fi and Eduroam:**

— Wi-Fi area: as members of the UB community you'll have access to the Internet via the WifiUB wireless network, which enables you to connect to the information resources of the CRAI from your laptop or mobile device.

— Eduroam network: a unique connectivity initiative between an international group of higher education organizations (among them the UB) which allows users to access a secure wireless network when visiting another institution, using the same credentials as required at their home institutions.

Quick Guide

INTRODUCTION

The Learning and Research Resources Centre (CRAI) offers PhD students and researchers in the UB community a comprehensive range of resources and services.

RESOURCES

► **CRAI UB Catalogue:** from "My Account", you can view and renew your loans, reserve documents, consult your reading history and save search profiles.

http://cataleg.ub.edu/*eng

► **ReCercador:** electronic resources searcher providing a single point of access to various resources such as databases, portals, catalogues, journals and portal listings. Allows you to search in different electronic resources simultaneously through a single interface.

http://metalib.cbuc.cat/V/?portal=UB&institute=UB&new_lng=eng

Access the electronic information resources subscribed to by the Library through a proxy server from **any computer outside the UB local network**.

<http://www.bib.ub.edu/en/services/remot-acces/>

► **RefWorks:** manage your references and extract bibliography lists in different citation styles.

<http://www.bib.ub.edu/index.php?id=2420>

► **TOC from Dialnet:** subscribe to notifications and alerts and access other more advanced options offered by the Dialnet portal. To register at <http://dialnet.unirioja.es/servlet/altaonline>, enter your institutional mail and select the UB.

<http://dialnet.unirioja.es/>

► **Scientific production: e-Dipòsits UB.** Search the *UB Digital Repository* and other institutional repositories to which the UB contributes, coordinated by CESCO and CBUC.

► **PUC loans:** request and borrow materials from other libraries belonging to the Consortium of Academic Libraries of Catalonia (CBUC). You may borrow up to 8 documents for 20 days.

<http://www.bib.ub.edu/en/services/lending/loans-institutions/>

► **Interlibrary loan:** a paid service that helps you locate and obtain the original or copy of any item that is not in the UB catalogue.

<http://www.bib.ub.edu/en/services/interlibrary-loan/>

► **Free photocopy service:** allows you to obtain free copies of articles from journals subscribed to by the UB but not available in your faculty library and not available in electronic format.

<http://www.bib.ub.edu/en/services/free-photocopy-service/>

► **In situ interlibrary loans:** borrow items from any partner library in the CBUC (University of Vic, Jaume I University and University of Andorra) simply by identifying yourself with your UB card.

<http://www.bib.ub.edu/en/services/lending/loans-institutions/>

► **Loans from the Environmental Documentation Centre of the Government of Catalonia (CDMA):** the CDMA is located in the CRAI's Biology Library.

Holders of the UB card can borrow items in person or request them through the interlibrary loan service. Two items can be borrowed simultaneously, for up to 10 days.

User training

► **User training:**

— Face-to-face training: the Training section of the Virtual Campus offers a range of training sessions on the services and information resources provided by the CRAI.

<https://cvformacio2.ub.edu/course/view.php?id=283>

— Self-access training: consult the range of self-access training materials devised by CRAI staff. Learning support materials (videos, tutorials and quick usage guides) are located in the UB Digital Repository in the collection *Aprenentatge en l'ús de serveis i recursos d'informació: tutorials i guies (CRAI-UB)*.
